

15th African Water
Association Congress 2010
Kampala - Uganda
INWTC INTERNATIONAL
WORKSHOP

International Network of Water Training Centres

Technical Vocational Training for Water Professions

International Workshop Programme

Wednesday 17th March from 10:30 to 13:00
Munyonyo Commonwealth Resort – Room 6

Based on several testimonies of training managers, who analyzed various initiatives and field experiments, the discussions in this think-tank workshop will deal with the following objectives:

- Challenges of professional training in the water sector in Africa,
- Drafting training plan to meet the needs,
- Conditions needed for mobilizing the necessary human, technical and financial resources,
- Methods for achieving sustainability of water and sanitation training systems.
